

How can I export articles found in Web of Science into EndNote?

Prepared by: Dr. Salha Alzahrani

Example: After identifying articles related to "Influenza" and "H1N1", you can export them to EndNote or EndNote Web. Here are the steps to follow:

Step 1

From Web of Knowledge platform (<http://isiknowledge.com>), select "Web of Science" tab. Enter "Influenza" AND "H1N1" under search field Topic. Click "Search" button.

ISI Web of KnowledgeSM Experience the

All Databases Select a Database **Web of Science** Additional Resources

Search Cited Reference Search Structure Search Advanced Search Search History Marked List (0)

Web of Science® – with Conference Proceedings

Search for:

influenza in Topic

Example: oil spill* mediterranean

AND h1n1 in Topic

Example: oil spill* mediterranean

Step 2

There are many articles. Select the articles to be exported by checking the boxes.
